

## INFORMATION

### EC CERTIFICATION OF THE NEW MERRY FISHER 855 14 October 2011

At the time it was introduced, the Merry Fisher 855 was submitted for EC Category B approval in single-engine and twin-engine versions.

**During the type approval process, we are informed that the Merry Fisher 855 will be rated as Category C, and ONLY in its twin-engine version.**

This rating is comparable to that of most recent models of this size.

The Merry Fisher 755 received a very high level of interest during its initial presentation on the main European boat Shows.
